ABOUT ME

Enthusiastic and dedicated BS Computer Science student at FAST National University with a strong foundation in front-end development and a growing interest in UI design. Proficient in HTML, CSS, and JavaScript, with additional knowledge of C, C++, and Python. Possessing strong communication skills and a passion for continuous learning, I am eager to contribute to innovative projects and expand my technical expertise.

PROJECTS

- Restaurant Management System (DSA)
- Tic Tac Toe Game(HTML, CSS and JS)
- Mealy Moore Machine (Python)
- Gym Management System (OOP)

SKILLS

- **Front-End Development:**

Proficient in HTML, CSS, and JavaScript for creating and styling web content.

- **Programming Languages:**

Competent in C and C++ for system-level programming and object-oriented development.

- **UI Design:**

Proficient in UI design principles, actively advancing skills in creating intuitive user interfaces.

- **Soft Skills:**

Strong communication skills, fluent in English, with excellent problem-solving abilities.
